Library System**

## Ludington Library's Phased Closure

Ludington Library will be closed for renovations for about 14 months. Closure of the building is expected when construction begins sometime in February 2010.

Starting in Mid-December 2009, Ludington Library will start a phased closure. Services will be reduced and/or relocated at that time until the building is closed for construction.

To get updates on the closure and other renovation news, visit the LMLS and LMLS renovation websites, and/or follow us on Twitter.

## Library Services During Construction

The 5 other LMLS branch libraries will be open while Ludington undergoes construction. Call ahead for programs, services, and directions.

### Internet Computers

Some of Ludington's Internet computer stations will be housed at other Lower Merion Libraries for the duration of the project.

- Ardmore 4 additional computers
- Bala Cynwyd 15 additional computers

### Story Times

Additional Story Times will be added at the Ardmore and Bala Cynwyd Libraries.

- Ardmore—MON & TUES @ 10:30 am
- Bala Cynwyd—THUR @ 10:30 am & 3 pm

## Ludington Lite

During Ludington's closure, limited public library services will be available in Bryn Mawr. We are planning to open a small temporary library branch in the parking lot at Ludington Library ("Ludington Lite"). Ludington Lite will serve as a location for pick-up and drop off of library materials, and provide a place for patrons to browse a small but high-use collection of library materials.

**Parking at Ludington Lite will be extremely limited due to the nearby construction area.**

### Ludington Lite will offer:

- New and popular materials for adults, children and young adults, including best sellers, audio books, and DVDs.
- Current issues of newspapers and magazines. NOTE: Back issues will not be available; contact other LMLS libraries for availability.
- A small ready reference collection which will include *Value Line* and *Consumer Reports Buying Guides*.

### What if something I want is not available at Ludington Lite?

Most of Ludington's collections will be moved off-site prior to the library's closure.

**Patrons will be able to browse and place requests for Ludington's print collection through the online catalog**

and have them delivered to Ludington Lite or to another Lower Merion library for pickup.
