## THE LOWER MERION LIBRARY SYSTEM RECORDS RETENTION POLICY

Private non-profit organizations are required to maintain key records of organization operations for any reviews and audits for varying amounts of time depending upon the type of record. The goal of the Lower Merion Library System is to establish a consistent policy for records retention among all member libraries. As a non-profit organization the Lower Merion Library System Board of Directors agrees to keep the following types of records for the indicated amount of time and to train key personnel on records retention requirements. The Board of Directors further agree to create a list of applicable records, to update that list as appropriate, and to send list annually to the Director of Libraries at audit time.

Note: Some records mentioned in this policy are applicable to the Library System and all member libraries. Other records will apply only to the Library System Headquarters, and still others will apply only to the Township of Lower Merion or to specific libraries in the System. As a department of Lower Merion Township, all policy shall comply with Township Policies. If in conflict, Township Policies will take precedent.

Library-specific requirements: Due to the constant changes in automation formats, please keep all records, as required in paper.

LSTA grant records	6 years
Statewide Library Card Statistics (Access PA)	5 years
Annual State Report	Permanent
